

Year 1 – Core Homework

Spellings: There are 2 different groups of spellings. If you find that your child is struggling with the green spellings then they can try out the blue spellings. There will be a test every Friday.
Reading: Please practice reading with your child for 15 minutes every day.

Year 1 – Project Homework

Project Homework: Here are some ideas for different projects you can create that link to the different areas of our learning this term. Please feel free to do as many as you wish.

Topic: Toys Old and New

- Use junk modelling to create a toy!
- Remake a toy that a grandparent used to play with!

RE: Creation

- Make a puppet of your favourite animal

- Paint/collage your favourite place

Science: Animals including humans

- Visit the local farm / go on a bug hunt and take photos of the living things you find

- Create a skeleton / human body and learn the names of each body part

Literacy: The Gingerbread Man

- Bake and decorate your own gingerbread man!

- Sew a gingerbread man hand puppet to help retell the story
