

Autumn Term 1 Homework

Dear Parents and Carers,

Here you will find an overview of the **spelling words** for your child for this half-term. Spelling tests will take place weekly on **Tuesdays** alongside a weekly **ninja maths test**. Both tests will take place on Tuesdays and scores will be sent home to you. You can support your child in achieving their best by helping to explain the meaning of words as part of a full sentence, as well as by using the Look, Cover, Say, Write, Check method.

Many Thanks,

Year 4 Team 😊

Autumn Term 1 Homework

PROJECT HOMEWORK

Choose **one** project to create from either Topic or Science.

This half term in Topic we are learning all about The Vikings.

For your project you could have a go at creating something that will further your knowledge of the work we're doing in class. Here are some ideas for what you could do, but please be as creative as you would like!

- Research the key dates and events during the Viking Era and create your own timeline.
- Design your own 3D Viking settlement (you can include thatched houses, longboats, long houses, Vikings men and women, warriors)
- Write a news publication on the attack on Lindisfarne Monastery in AD 793. (**TIP:** Give your publication a catchy name like 'The Anglo Saxon Chronicle')
- **Alternatively you can think of you something you would like to make related to Vikings.**

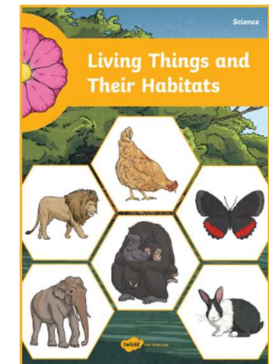

This half term in Science we are learning all about Living things and their Habitats.

For your project you could have a go at creating something that will further your knowledge of the work - vertebrates and invertebrates, creating classification keys to group and classify a range of species, and endangered living things.

Here are some ideas for what you could do, but please be as creative as you would like!

You could:

- Create a **poster**.
- Write a shape **poem** or a **song/rap** about living things or endangered living things.
- Create a **fact file** detailing all that you learnt.
- Create a **PowerPoint presentation**.
