

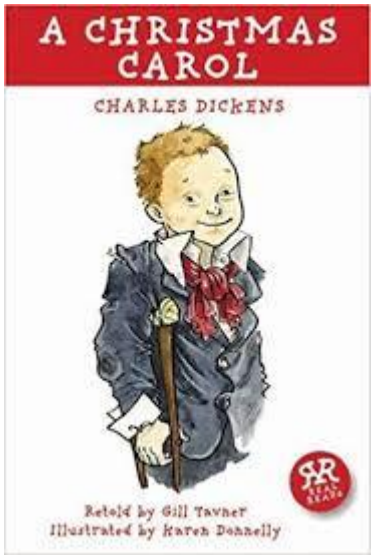
English



- Research Charles Dickens and his works
- Write a character description of the ghost of Christmas past, present or future.
- Can you create a timeline of Charles Dickens and the books he wrote?

Wider Curriculum

Geography:
Click the link below to investigate coast lines and river features:
http://www.crickweb.co.uk/ks2geography.html

Science:

To **make a compass**, start by rubbing a needle against a magnet 50 times in the same direction, which will magnetize it. Next, push the needle horizontally through the piece of cork so that it comes out the other side. Place the cork into a bowl of water and watch as the needle aligns itself to point North and South.

Mathematics

www.corbettmathsprimary.com/5-a-day/
provides questions differentiated four different ways for each day of the week to allow children to practice their maths.
