

## English

- Research Charles Dickens and his works
- Write a character description of the ghost of Christmas past, present or future.
- Can you create a timeline of Charles Dickens and the books he wrote?

## Wider Curriculum

### Geography:

Click the link below to investigate coast lines and river features:

<http://www.crickweb.co.uk/ks2geography.htm>

### Science:

To **make a compass**, start by rubbing a needle against a magnet 50 times in the same direction, which will magnetize it. Next, push the needle horizontally through the piece of cork so that it comes out the other side. Place the cork into a bowl of water and watch as the needle aligns itself to point North and South.

## Mathematics

[www.corbettmathsprimary.com/5-a-day/](http://www.corbettmathsprimary.com/5-a-day/) provides questions differentiated four different ways for each day of the week to allow children to practice their maths.

### Maths - Topmarks Search

is a great resource for all sorts of maths games based on the national curriculum.

<https://www.math-salamanders.com/>

Is a free resource with worksheets for many different maths areas.

<https://www.mathsisfun.com/>

Is a maths encyclopaedias providing information about different concepts.

## Homework Project

Create a 3D topographic map of Europe.

Include the following features:

- Main rivers of Europe.
- Physical features (rivers, lakes, seas, mountains etc.)
- Capital cities and landmarks within Europe.

# Autumn Term 2 Homework
