Dear parents and carers,

This week, I would like to update you on the following:

Value of the week

This week we have been focusing on the value of **excellence**. In collective worship earlier this week, we discussed how we could all strive for excellence each and every day in school. This afternoon, teachers proudly shared how children had done that this week. A big well done to all those named!

Parent consultations

Parent consultation meetings for the spring term are coming up. We will continue to hold these meetings via Zoom, using exactly the same system as last term, and last year. Each appointment will be 10 minutes long, and there will be times from 9:30am to 5pm available. In order to book your appointment, please ring the school office from Tuesday 25th January. You will receive a Zoom link prior to your meeting. If you would prefer a telephone call, please state this at the time of booking.

Nursery parents can book for either date. Please just state at the time of booking whether your child attends in the morning, afternoon or full time.

Here are photos of our year 5/6 gymnasts. On Wednesday, they followed our year 3/4 team's footsteps and came second in the Tower Hamlets Primary Schools Gymnastics Competition. This is an amazing result, and you have certainly demonstrated our value of excellence here. Congratulations!
